

INFORMATION FOR PARENTS IN CASE OF SCHOOL OR CLASS CONFINEMENT

In case of a school or class confinement, you will find below important information.
The decision to confine will be taken by the Direction de la Santé publique.

We will communicate
with you by email or by
phone

Your child will receive
work & activities to do at
home (from his or her
teachers, or by post)

You will receive a
schedule for online
classes & activities for
your child

A member of the school
staff will communicate
with you and/or your
child regularly

Online classes and
school work provided will
be MANDATORY

Technological support
will be available, if
needed (including material)

Online classes or
recorded sessions will be
available on a
technological platform,
chosen by your child's
school

Support services
(educator, social worker,
psychologist, etc.) will also
be accessible, if needed
